HOW TO **GET GOING** WITH

ab&t DIGITAL BANKING

On Nov. 8, AB&T will convert its existing online and mobile banking platforms to a new and improved interface that will allow you better access to your AB&T accounts while also beefing up security and functionality. But before you can take advantage of the new digital banking platform, there's a few things you'll need to do.

Be Aware and Be Prepared.

For App and Online Browser Users

Clients will have *view only* access (you can only look at your account balances) in the app and online until 6 p.m., November 7.

Client-initiated internal transactions, such as recurring internal account to account transfers, will process as usual. New ones can only be scheduled up to November 4.

Clients can no longer set up new bill pay payees and bill payments as of November 4. Payments and transfers scheduled prior to November 4 cutoff date will occur as scheduled.

All of these functions will be available and fully functional within the new app on November 12.

Clients can download the new app from app stores on November 11.

For Online Browser Users Only

All Links on our homepage will be disabled on November 7. You can log in on November 12 when the new homepage links go live.

ANDROID APP ON Google play

Available on the App Store

To access the new **AB&T** mobile app, just follow these simple steps:

STEP 1:
Find your current AB&T app and delete it (don't worry- you won't lose any information)

STEP 2:
Go to the App Store and search AB&T. Then download the new app.

STEP 3:
Utilize temporary username using the format:
7947 + first 6 digits of your social **(for business clients use the first 6 digits of business tax ID)**
+ 1st initial of your first name
+ 1st initial of your last name
Example: *Bob Smith – 7947123456BS*
Example: *XYZ Company – 7947654321XY*
*Your temporary password will be the last 4 digits of your social
*You'll be prompted to customize your username and password

Keep in mind that unlike our current platform, **AB&T DIGITAL BANKING** works across multiple devices so the username and password you set up on the desktop or through the mobile app will work in either place. So no more keeping up with multiple log-in credentials to access the same AB&T data.

AB&T DIGITAL BANKING
supports these browsers
Google Chrome • Internet Explorer
Microsoft Edge • Apple Safari • Mozilla Firefox

DIGITAL BANKING 101 OVERVIEW
